

Agency Membership Benefits

Astra extends the benefits of partnering with women owned businesses by making it easier for you to identify the right vendors, track the number of contracts awarded to women owned businesses, and network with other supplier diversity professionals. With Astra membership, corporate members can:

- Meet the right suppliers, right now. Astra provides you with access to a strong network of talented, qualified women owned businesses, right in your backyard. As a Corporate Member of Astra you have access to the regional WBE database. Astra can also assist you with your national strategic sourcing needs.

- Network with other procurement and supplier diversity professionals. Astra is proud that our membership includes professionals from many of the most highly respected companies in the world.

- Tell the world about your company's commitment to women in business. With Astra membership, you'll have access to exhibition and sponsorship opportunities at major events happening throughout the year.

- Lend a hand to your current suppliers. Astra can arrange customized training to help your current suppliers become WBENC certified.

- Increase your visibility. Become a featured speaker at one of our many events for women owned businesses.

- See your company's name in lights and print. We'll show our appreciation of your support by giving you recognition on our website and in marketing materials.

- Demonstrate the value of the supplier diversity function. Participate in our Done Deals program and track the number of women owned businesses your company is partnering with.
